Get All Users

Responses

> **200** Successful Response

GET   /usuarios

Response samples

[200]

Content type
application/json

Copy

```
null
```

Get By Nombre

PATH PARAMETERS

nombre
required   string (Nombre)

Responses

> **200** Successful Response

> **422** Validation Error

`GET   /userclassP/nombre/{nombre}`

Response samples

200	422

Content type
application/json

Copy

```
null
```

Get By Matricula

PATH PARAMETERS

matricula
required   integer (Matricula)

Responses

> **200** Successful Response

> **422** Validation Error

`GET   /userclassP/matricula/{matricula}`

Response samples

200	422

Content type
application/json

Copy

```
null
```

Get By Edad

PATH PARAMETERS

edad
required

integer (Edad)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassP/edad/{edad}

Response samples

200	422

Content type
application/json

Copy

```
null
```

Get By Carrera

PATH PARAMETERS

carrera
required
    string (Carrera)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassP/carrera/{carrera}

Response samples

| 200 | 422 |

Content type
application/json

Copy

```
null
```

Get By Genero

PATH PARAMETERS

genero
required
    string (Genero)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassP/genero/{genero}

Response samples

| 200 | 422 |

Content type
application/json

Copy

```
null
```

Get By Semestre

PATH PARAMETERS

| semestre
required | integer (Semestre) |

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassP/semestre/{semestre}

Response samples

| 200 | 422 |

Content type

application/json

Copy

```
null
```

Get By Porcentaje

PATH PARAMETERS

porcentaje
required

integer (Porcentaje)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassP/porcentaje/{porcentaje}

Response samples

| 200 | 422 |

Content type

application/json

Copy

```
null
```

Get By Promedio

PATH PARAMETERS

promedio
required

number (Promedio)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassP/promedio/{promedio}

Response samples

| 200 | 422 |

Content type
application/json

Copy

```
null
```

Get By Materias Reprobadas

PATH PARAMETERS

materias
required

integer (Materias)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassP/reprobadas/{materias}

Response samples

| 200 | 422 |

Content type
application/json

Copy

```
null
```

Filtro1

QUERY PARAMETERS

nombre
required

string (Nombre)

carrera
required

string (Carrera)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassQ/filtro1/

Response samples

| 200 | 422 |

Content type
application/json

Copy

null

Semestre

QUERY PARAMETERS

genero required	string (Genero)
semestre required	integer (Semestre)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassQ/semestre/

Response samples

| 200 | 422 |

Content type
application/json

```
null
```

Filtro3

QUERY PARAMETERS

edad required	integer (Edad)
porcentaje required	integer (Porcentaje)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassQ/filtro3/

Response samples

200	422

Content type
application/json

Copy

```
null
```

Filtro4

QUERY PARAMETERS

promedio required	number (Promedio)

reprobadas required	integer (Reprobadas)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassQ/filtro4/

Response samples

200	422

Content type
application/json

Copy

```
null
```

Filtro5

QUERY PARAMETERS

carrera required	string (Carrera)

| semestre
required | integer (Semestre) |
| genero
required | string (Genero) |

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassQ/filtro5/

Response samples

| 200 | 422 |

Content type
application/json

Copy

```
null
```

Filtro6

QUERY PARAMETERS

| nombre
required | string (Nombre) |
| promedio
required | number (Promedio) |

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassQ/filtro6/

Response samples

| 200 | 422 |

Content type
application/json

Copy

```
null
```

Filtro7

QUERY PARAMETERS

| matricula required | integer (Matricula) |
| edad required | integer (Edad) |

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassQ/filtro7/

Response samples

200	422

Content type

application/json

Copy

```
null
```

Filtro8

QUERY PARAMETERS

porcentaje
required

integer (Porcentaje)

genero
required

string (Genero)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassQ/filtro8/

Response samples

200	422

Content type

application/json

Copy

```
        null
```

Filtro9

QUERY PARAMETERS

semestre required	integer (Semestre)
promedio required	number (Promedio)
reprobadas required	integer (Reprobadas)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassQ/filtro9/

Response samples

[200] [422]

Content type
application/json

Copy

```
        null
```

Filtro10

QUERY PARAMETERS

nombre *required*	string (Nombre)
carrera *required*	string (Carrera)
porcentaje *required*	integer (Porcentaje)

Responses

> **200** Successful Response

> **422** Validation Error

GET   /userclassQ/filtro10/

Response samples

200	422

Content type
application/json

Copy

```
null
```
